

PROTECT YOUR HOME

Help us stop eminent domain abuse.

Join us at a Press Conference with Attorney General Rob McKenna, where he will release the findings of a task force study on the use and abuse of eminent domain in Washington State and will call for reform of the state's Community Renewal Law - **a law that has already been aimed at Southeast Seattle, Renton, Auburn, and other communities.** It is critical that property owners attend and show their support for eminent domain reform.

PRESS CONFERENCE

January 14, 2010 @ 10 a.m.

Senate Rules room • State Capitol

in the Legislative Building on the Capitol Campus in Olympia.
The Senate Rules Room is located inside the entrance to the Lt. Governor's Office.
